technology can be affordable. The Samsung LED TV 4003 Series UN26D4003 26" LED delivers
high picture quality, design and performance all at an affordable price.
You'll be amazed by the TV's incredible quality generated by the
combination of features like Clear Motion Rate 60, Samsung's

HyperRealEngine, and Wide Colour Enhancer Plus. You can enjoy other
cutting-edge features like ConnectShare, HDMI ports and SRS Theater
Sound-all through your environmentally friendly LED TV. Experience enhanced image detail, colour reproduction and controlEnjoy
unprecedented picture quality with Samsung's super-advanced imaging
technology. The HyperReal Engine and LED backlight enhances images and
optimises performance for crystal-clear HD images. And Wide Colour
Enhancer Plus technology deploys complex algorithms to make colours more
life-like, and reveal tones and hues otherwise invisible.HyperReal EngineThe
amazing colour and realistic images of Samsung's new LED TVs is the
innovative HyperReal™ Engine. By optimizing performance and image
enhancement, the Samsung HyperReal™ Engine provides the most vibrant and
crystal-clear Full HD images.60 CMR Clear Motion RateCMR
(Clear Motion Rate) by Samsung measures the true clarity performance of
Samsung LED TVs. Using the Chipset and the TV Panel and the backlight
together, the CMR measurement expresses the TV's true ability to resolve
detail in fast moving images.Digital Noise FilterWatch
crystal-clear analog programming as if it was being broadcasted
digitally with Samsung's Digital Noise Filter. The filter helps to eliminate some of the digital "noise" that are seen on your screen.Wide Colour Enhancer PlusSee
the world's true colours. Samsung's Wide Colour Enhancer

Samsung UN26D4003 26" LED High-Definition TV (UN26D4003)

Plus uses an
advanced algorithm to drastically improve image quality – even
displaying subtle tones and details that less advanced TVs cannot
reproduce.ConnectShareWith
ConnectShare™ simply plug in your USB memory drive or HDD into the TV
and instantaneously enjoy a range of photos and music on your LED TV. So
instead of viewing them on your PC, you can download them onto a USB
and watch them in the comfort of your living room on your TV.Your Perfect MatchFind the best TV or Home Theatre matched perfectly to your home and what you watch!
